MEALS ON WHEELS – CHANGE OF PICK UP TIME

Please note that the pick up time for Meals at the hospital has changed from 11:00 A.M. to 11:45 A.M.

This is because the taxi company has asked for this change for the meals it delivers. In order that the pick up time be consistent, the hospital is requesting that those who deliver their own meals also do so at this new time.

RESIGNATIONS

Please note that Josee Couture and Kim Ryan have resigned from the Club effective December 31, 2009.

PROGRAM

Major Glenn Wirachowsky of the Salvation Army delivered a Christmas Message to the members and their guests. It was well received. Thank you, Glenn.

BITS & PIECES

Consider these newly discovered laws of the universe...

Law of Biomechanics: The severity of any itch is inversely proportional to the reach.

Law of Coffee: As soon as you sit down to a cup of hot coffee, your boss will ask you to do something which will last until the coffee is cold.

Law of Dirty Rugs/Carpets: The chances of an open-faced jelly sandwich of landing face down on a floor covering are directly correlated to the newness and cost of the carpet/rug.

Law of Mechanical Repair: After your hands become coated with grease, your nose will begin to itch.

Law of the Result: When you try to prove to someone that a machine won't work, it will.

Law of the Telephone: When you dial a wrong number, you never get a busy signal.

Law of the Workshop: Any tool, when dropped, will roll to the least accessible corner.

Variation Law: If you traffic lanes, the one you were in will start to move faster than the one you are in now.

Warm Water Theorem: When the body is fully immersed in water, the telephone rings.
