BITS & PIECES

A travel agent said to his customer, "I can get you three days and two nights in Rome for \$75"

"How come so cheap?" replied the customer.

The travel agent replied, "The days are July 11, 12 and 13. The nights are July 21 and 22."

The small town's sheriff was also its veterinarian. One night the phone rang and his wife answered.

An agitated voice inquired, "Is your husband there?"

"Do you require his services as a sheriff or as a vet?"

"Both. We can't get our dog's mouth open, and there's a burglar in it."

One night, a lady stumbled into the police station with a black eye. She claimed she heard a noise in her back yard and went to investigate. The next thing she knew, she was hit in the eye and knocked out cold.

An officer was sent to her house to investigate, and he returned 1-1/2 hours later with a black eye.

"Did you get hit by the same person?" his captain asked.

"No," he replied. "I stepped on the same rake."
